The purpose of this packet is to provide families that are moving from our Head Start program to Kindergarten with valuable information. We work in collaboration with the school district to promote a smooth and seamless transition. A clear understanding of policies and expectations of the district will avoid anxieties that often accompany change. We encourage you to carefully review the packet in order to be well informed as your child moves to the next phase of their education.

Thank you for being a part of the Head Start program and we wish you and your family success in all your future endeavors.

A child's mind is not a container to be filled, but rather a fire to be kindled.~ D.Brandle

Food Services

Breakfast and lunch will be served. Students have 30 minutes for breakfast and 45 minutes for lunch. The school participates in the federal government free or reduced food service program. The program is for children from families whose income makes them eligible for the meals. Free or reduced food service application will be mailed to each family in July and enclosed with a self-addressed stamped envelope.

Parents/guardians must complete the application and mail it back as soon as possible preferably in July. If an approved application is not on file at the school, parents will be responsible for payment of the child's meals.

- Breakfast Student - Free Adult-\$ 2.50 Extra Milk-\$.40
- Lunch Student- Free Adult -\$3.75

If your child has a food allergy a doctor's excuse is required in order to place this information in the computer and make necessary accommodations.

School Nurse

A registered nurse is stationed at each school. She provides immunizations, physical exams, first aid treatment, screening, and tender loving care to students who do not feel well or had an accident. Parents must sign a **Permission to Treat** or **Medical Release** form before the school nurse may administer first aid to your child.

Site Based Decision Making Council (SBDM)

The council meets once a month, time will be announced. The meetings are open to the public and **parents** are encouraged to attend.

Family Resource Center

What is a Family Resource Center?

The FRC was established through the Kentucky Education Reform Act (KERA) to create bridges between schools, the community and the family. The program is funded through the state, and the amount of funding is based on the number of eligible for free meals at each school. However, once a center is established, all children may receive services.

Services provided through FRC

- JumpStart / Open House / Kindergarten Orientation-A time for students and parents to meet the teachers and school staff

- Referrals for health and mental health services. Pathways therapist will be available for mental health needs
- Substance Abuse Prevention
- Violence Prevention
- Kids first dental van will provide eligible students with screenings, sealant, and fillings
- Parent Education Programs
- Student academic tutoring
- Referrals for child care and other community resources
- Lending Library of children's books, videos, and parenting books
- Preventative Health Information
- Basic Needs Assistance
- Clothing-FRC keeps clothing on hand for students that may require a change of clothes during the day
- Summer Learning
