The purpose of this packet is to provide families that are moving from our Head Start program to Kindergarten with valuable information. We work in collaboration with the school district to promote a smooth and seamless transition. A clear understanding of policies and expectations of the district will avoid anxieties that often accompany change. We encourage you to carefully review the packet in order to be well informed as your child moves to the next phase of their education.

Thank you for being a part of the Head Start program and we wish you and your family success in all your future endeavors.

A child's mind is not a container to be filled, but rather a fire to be kindled.~ D.Brandle

FREE MEALS FOR EVERY STUDENT IN THE LEWIS COUNTY SCHOOLS

When school begins this year, every single student in the Lewis County Schools will have access to a nutritious breakfast and lunch at no cost to them. There is no need to apply for this program because every student is automatically eligible.

Parents will be asked to complete a Household Information Form that contains information important to the school district.

Nothing will change about lunch or the cafeteria process. Your child will still go through the line and interact with the cashier as usual. Students may purchase additional and ala carte items for sale.

This program is made possible thanks to the USDA's Community Eligibility Provision. If you have any questions regarding this program, contact Tiffany Felty at 796- 2811

School Nurse

A registered nurse is stationed at each school. She provides nursing care that includes care for catheters, G tubes, etc...., daily medications, hearing/ vision screenings, dental screenings and teeth cleaning. Parents must sign a **Permission to Treat** form before the school nurse may administer any treatment.

Site Based Decision Making Council (SBDM)

The council meets once a month, time will be announced. The meetings are open to the public and **parents** are encouraged to attend.

Family Resource Center

What is a Family Resource Center?

The FRC was established through the Kentucky Education Reform Act (KERA) to create bridges between schools, the community and the family. The program is funded through the state, and the amount of funding is based on the number of eligible for free meals at each school. However, once a center is established, all children may receive services.

The goal of Family Resource Centers is to remove or reduce any barrier a child might have to getting a quality education.

Services provided through FRC

Family Resource Centers serve children through age 12 and coordinate:

- Referrals to Childcare Resource
- Community Service Projects
- Learning Library and Boxes
- Eyeglass Referrals
- Health Service Referrals
- Coordinate Personal Hygiene & Puberty
- Basic Needs Referrals
- Gifts of Love/Christmas Cops Program
- Mental Health Referrals
- Grief Counseling
- Summer Programs
- Dollars & Sense/Read Across America
- Clothing Closet
- Assist our District Crisis Management
- Assist Families During Crisis/Disasters
- Provide Educational Assemblies
- Mentoring

Truancy

Kentucky School Law requires every parent and guardian of a child 6 to 21 years old to send that child to school. Five-year olds are considered under compulsory education after enrollment in Kindergarten.

Kentucky School Law 159.150 states:

Any child who has been absent from school without a valid excuse for three (3) or more days, or tardy for three (3) or more days, is a truant. Any child who has been reported as a truant two (2) or more times is a habitual truant.

Kentucky School Law 159.180 states:

Every parent/guardian of a child residing in any school district in this state is legally responsible for any violation of KRS 159.010-159.179 by the child.

Kentucky School Law 159.990 states:

Any parent/guardian who intentionally fails to comply with the requirements of KRS 159.010 to 159.170 shall be fined one hundred dollars (\$100) for the first offense, and two hundred fifty dollars (\$250) for the second offense. Each subsequent offense shall be classified as a Class B misdemeanor. This determination is at the discretion of the judicial system.

Kentucky Revised Statute 530.070

Unlawful transaction with a minor punishable by a maximum of twelve months in jail and/or \$500 fine.

Lewis County Schools Policy states:

Students absent 6 or more days unexcused are considered habitual truants.

Tardies occur if a student arrives late or leaves early. Tardies also occur when students are absent from school for a portion of the day. Tardies are considered in the determination of truancy.
